MS 54 Spring Gala Auction

Dear MS 54 Families, Friends, Alumni and Staff,

Welcome to MS 54's annual Auction Benefit, the Spring Gala!

We have many people to thank for making tonight's auction a reality. We would first like to thank the many dedicated parent volunteers who have provided endless hours of their time to make this night very special and one to remember. We are grateful to all the businesses and parents who have made the exceptional donations you will see and BID on this year!

We would like to extend our unending gratitude to the administration at MS 54, especially Dr. Elster, Anne Pejovich, Ms. Lynch, Ms. Williams and all the teachers and staff for creating an unparalleled learning environment where all our children can excel. MS 54's continued commitment to our children and their gold standard in academic excellence provided by the exceptional teaching and support staff make our school a role model for public education.

Tonight is about having a great time AND raising money to support our school. Enjoy the delicious food, fantastic drinks – try the “SpringThyme” Lemonade, go old school and take some pictures in our photo booth, dance and most importantly BID, BID, BID!!!

Auction Play – How to Bid

4 Ways to Win

Live Auction

There will be many enticing and irresistible packages presented by an auctioneer for live bidding. Some of the items are suitable for people to bid on together. You might consider pooling your money with friends to bid together on these big packages. Remember – use only **one** paddle number for group bidding. Please see Live Auction guidelines outlined below.

Silent Auction

Over 100 great packages have been assembled from the donations you solicited. They are grouped by category and are on display through out the main hall. Each package has its own bid sheet for silent bidding. Please remember to write your number and your bid neatly.

50/50 Raffle Ticket

Take your chances!! Purchase a ticket for \$50 and if you win, you win **half the pot of money** raised for the 50/50 raffle. The more tickets sold – the higher the pot! Estimated winnings over \$2,000. Winning tickets will be drawn at the auction. You need not be present to win.

Hamilton Raffle

For \$25 you have one chance to win, for \$60 three chances!

The drawings for both raffles will take place to kick off the Live Auction. Winner need not be present to win.

You can pay by MasterCard, Visa, or Amex.

Remember that your bid in excess of the value stated is fully tax deductible as a charitable contribution. Receipts will be provided. Please make sure you check out and take your winnings.

We cannot be responsible for uncollected items.

Auction Rules of Play

Check-in and Registration for Express Check-out: When you arrive register at the check-in table where you will receive your bidder number/paddle for the evening.

We respectfully ask that you register for Express Check-out, which will speed up the check-out process at the end of the event. Express Check-out is quick and easy, but you must have a credit card to take advantage of this time-saving system. To register for Express Check-out you must swipe your credit card at the terminal. Your credit card information is then assigned to your bidder number. Your credit card will be charged only if you have won or purchased something.

Paddle Numbers:

Each person or couple receives a bidder number on a paddle. Use that number when bidding in the Silent Auction and the Live Auction. Holding up your paddle with the bidder number facing forward will be the only accepted method of bidding in the Live Auction. Please **write neatly** in the Silent Auction.

Silent Auction Guidelines:

Write your paddle number and the amount of the bid on the bid sheet for each item. The minimum starting bid is listed on the bid sheet along with bidding increments. An announcement will be made prior to the close of the Silent Auction. The highest bid at the proper increase level at closing time constitutes the winning bid. Winners will be informed at Check-out.

Guaranteed Bids:

Some items will have a guaranteed bid price at the bottom of the page. If you see something that you **MUST** have, it can be yours instantly by signing the Guaranteed Bid line, which sets a price over the stated value of the item. This takes the item off the auction block and it is **YOURS!**

Live Auction Guidelines:

Raising your paddle and being recognized by the Auctioneer enters a bid. The Auctioneer may specify minimum prices at the beginning of the bidding. The Auctioneer may specify a minimum raise at any time during the bidding. The highest bidder (as recognized by the Auctioneer) shall be the purchaser. In the event of a dispute, the Auctioneer shall have the sole and final authority to determine a successful bidder to re-offer and re-sell the item. On the fall of the Auctioneer's gavel/sold, title to the item will pass to the winning bidder, who then assumes full risk and responsibility.

Check-out

If you have swiped your credit card in at Check In earlier in the night go directly to Item Pick-up.

Visa, MasterCard, and Amex are accepted.

Please Remember: Be patient with checkout. This is a volunteer-run event!
