## Agenda:

## Approval of the Minutes from March

- Minutes were approved.

## Principal's Report

- No updates on the CEP.
- Two new shelters opened up in District 3 for families so there's a possible influx of new students post break. Booker T. has a full-time ESL teacher and seats available so there's a high likelihood they'll come here.
- Create a "newcomers" class/schedule for all the new students to help with transition.
- Currently there are about 20 ELL students.
- Principal support meeting to come which will help share ideas and strategies about the current situation.
- Thoughts to possibly use PTA funds to support families with backpacks/supplies.
- Preview of incoming 6th grade class to Booker T for 2023-2024.
- Looks pretty similar to this year's 6th grade class (i.e. total number of students with a breakdown of one self contained class and two ICT).

## Update on High School results

- There are approximately 5-6 students who need to find a new match/weren't satisfied.
- Overall good performance on the SHSAT. Most students who took the test got a placement at a specialized HS.

## Curriculum Update

- Dr. Elster will come to a decision after Spring break about whether or not Social Studies and ELA courses will remerge to Humanities.

## Update on School Survey Response Rate

- The most recent update for family responses to the survey is $53.9 \%$.
- Deadline extended to April 20th.

## New Business

- Elections
- Even number of 7 staff members to 7 parents.
- Parent Members leaving:
- Yael - completed two years
- Karen - completed 1 year (but graduating)
- Dimitra - completed two years
- Three open seats to parents (One 1-year, and Two 2-year slots)
- Saving one-two year term for an incoming 6th grade parent.
- PTA updates
- Two new co-treasurers for the PTA were decided for the remainder of this year.
