

READING (ALL GRADES)

- Read at least THREE books of your choice this summer.
- Keep a list of the titles and authors.

At the start of the school year, you will be asked to reference the books in your first writing assignment.

If you are looking for suggestions, look at the Summer Reading List below.

WRITING – 6th Grade

Make an ‘All About Me’ Poster

ALL ABOUT ME is a visual representation of who you are as a way to introduce yourself to the class. This poster project can be completed on regular-sized paper (8.5 x 11) or slightly larger paper or paperboard if you prefer. Any color paper can be used, and we encourage you to be creative. In the center of your poster there should be a picture of you with your name (first and last, or just last), and around that picture, at least 5 pieces of information about you, in both picture and sentence format (just one sentence is required per idea, but you could certainly write more). We encourage you to be as open and honest as you like and be as creative as you like (you can make parts of it 3-D, paste objects you like onto it, or just write it all in markers or pen). But remember, the Main Idea or centerpiece of the poster is your picture and your name, so those should be easy to read.

An example of an ALL ABOUT ME poster is included below, and the requirements that need to be followed are these:

REQUIREMENTS:

1. 8.5 x 11 paper (any color) or slightly larger
2. A recent (or at least clearly identifiable) picture of yourself
3. Your full name or just last name
4. At least 5 sentences about yourself, with an accompanying image (which can be drawn or printed-out, 2-D or 3-D)
5. Proper spelling and grammar for all text
